About Us:

AMH is a service-based organization, established during the year 2003, to provide apparel-buying and merchandising services to International Buyers. **AMH** is backed by diverse and comprehensive management experience in all aspects of Buying such as Sourcing, Merchandising, Quality Assurance, Market Intelligence, Legislative Compliance and Logistical Services.

We are a well organized and efficient team of 30 highly qualified and motivated people, managing the operations in the Indian sub-continent region.

Services:

Product Development

- The merchandiser undertakes product development at different factories to meet buyer's requirement for standards, prototypes pattern check runs. Pre-production samples and fabric development etc, with assistance from research and development.

Product Monitoring

- The merchandiser staff monitors production with the help of control charts and frequent visits to the factories to ensure that correctly and esthetically made product are delivered on time.

Services...

Quality Control

The Quality Assurance team conducts inline and final inspections as per International Quality Standards to ensure quality as specified by the customer

Sourcing

Each Customer is provided sourcing support based on their requirements and the order. Also available to each buyer is information on possible suppliers for specific merchandise, including quality, price, ability to meet shipments schedules. Suppliers are continually evaluated, so that Buyer knows their exact capacity and quality levels.

Services...

Logistic Support

The shipping department is responsible for space booking, dispatching and monitoring shipments until they reach their final destinations, in liaison with shipping companies/airlines.

Communication

The office communicates with customers on a daily basis keeping them updated on all issues. Each Department is fully computerized and linked up to Europe and USA.

Inspection & Testing

The in House-testing laboratory is run independently. This facility gives us the flexibility of getting, quick and accurate test results.

AMH Values:

- 1. Trust, Credibility, Integrity

We conduct ourselves with uncompromising honesty and integrity. We comply with laws, regulations and other rules; establish good corporate ethics; and take all actions in accordance with our own high standards and conscience.

- 2. Vision, Dream, Hope

Bearing the mid and long-term visions and dreams in mind, we make best efforts to attain them.

- 3. Change, Innovation, Leadership.

We always pay attention to changing social and economic conditions, whereby we try to reform ourselves continuously and to be a leader in the industry.

AMH Values...

- 4. Respect

We treat others with respect and fairness.

- 5. Customer Satisfaction

We understand that our success depends on our customers and we commit to serving them everyday. We always consider and behave, giving the first priority to customer satisfaction.

- 6. Performance & Achievement

We assess individual employees based only on their results and achievements including process management. Each individual is provided the opportunity to accept additional challenges and responsibilities commensurate with the individual's capability, competency and initiative and our corporate business goals.

AMH Values...

- 7. Excellence in Execution

We are passionately committed to excellence. We strive for excellence in everything we do, by setting aggressive goals, being accountable for our actions and exhibiting positive leadership.

- 8. Quality, Cost, Speed.

We provide high quality products and services, at reasonable prices, in a timely manner, and make decisions without delay.

- 9. Teamwork

We value teamwork and help each other to succeed. We make the best use of the capabilities of individual employees and create, through mutual cooperation, a work environment suitable for the entire company or group.

- 10. Professionalism

We foster creative and innovative leadership in all aspects of our business. We develop specialty, skills, communication ability higher than what our customers or partners expect from us.
